An update on constructing the Force 10 system

Date Raised: Monday, 15 March 2010

By: R Gittins

PORTAL FIXING PLATE (PFP)- To allow panel to be connected to portal

In order to attach the panels firmly to the portal frame leg a LINTEL BEARER plate with M12 x 120mm threaded rod and flange nut are to be used as shown in the attached drawings, the threaded rod allows for all portal flange thickness- effect from 11 March 2010 Refer to MCN86
